Finding job coaching after high school

Choose what you want help with first. That might be trying a type of work, preparing for an interview, or learning a task on the job. Make the call yourself or ask someone you trust to join you.

Choose a first contact

For disability-related work supports

Call Florida Vocational Rehabilitation at 800-451-4327 to find your local office. Ask how to request a referral for job coaching and how eligibility is decided.

For job-search and training help closer to home

Call CareerSource Palm Beach County at 561-340-1060. Ask for the West Career Center in Belle Glade or the Central Career Center in West Palm Beach. Confirm hours and access needs before visiting.

Try these words on the first call

"I'm interested in working in _____. I'd like help with _____. Who can I talk with? What should I bring? Is there a cost or a wait? Can you send the next step in writing?"

My next step _____
